

Insuring the future of Life Sciences innovators today

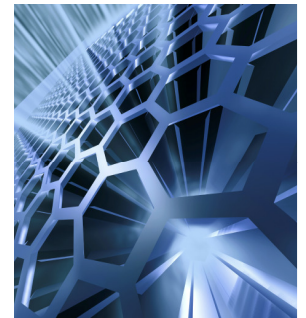

Berkley Life Sciences, LLC offers an array of casualty products that can be tailored to each organization. The products are designed to protect companies ranging from those in the pre-clinical trial stage to those with \$10 billion in revenue.

TARGET SEGMENTS

- Pharmaceutical/Biotech
- Medical Devices
- Dietary Supplements
- Medical Foods
- Cosmetic Drugs
- Contract Manufacturing Organizations (CMO's)
- Contract Sales Organizations (CSO's)
- Contract Research Organizations (CRO's)
- Other industry segments related to the life science industry

OUR PRODUCTS

Berkley Life Sciences offers coverage for Primary Products Liability, Excess Liability, General Liability, Clinical Trials, and Professional Liability. Through a strategic alliance with W.R. Berkley Syndicate Ltd, admitted clinical trials liability policies underwritten by members of Syndicate 1967 at Lloyd's are available for Berkley Life Sciences' insureds conducting trials outside the U.S. Please visit our web site for more information.

OUR CAPACITY

\$15,000,000

WRITING COMPANIES

Gemini Insurance Company operates on a non-admitted basis in all states, except Delaware, where it is domiciled, and Rhode Island. In Delaware and Rhode Island, Berkley Life Sciences underwrites submissions on behalf of Nautilus Insurance Company. Both companies enjoy an A.M. Best Financial Strength Rating of A+ (Superior).

PRODUCER APPOINTMENTS

Berkley Life Sciences underwrites insurance products through appointed wholesale and retail brokers. Producer appointments will be considered for wholesale firms that generate more than \$50mm in premium volume and retail insurance agency/brokerage firms with more than \$750mm in premium volume. Appointments will also be considered for retailers and wholesalers that do not meet the premium volume threshold but who have a demonstrated expertise in providing insurance services to life science organizations.

SUBMISSION REQUIREMENTS

- Excess – Underlying Carrier's Life Science Application + Complete copy of the primary underlying quote letter, primary policy and endorsements
- Primary – Berkley Life Sciences Primary Application or similar Life Science Application
